Headquartered in Hong Kong, Clearwater is a privately held employee-owned asset manager with US\$1.4 billion in assets under management. Clearwater’s assets will be added to Fiera Capital’s Private Alternative Investments division, complementing the Firm’s existing suite of private alternative investment strategies and adding extensive investment experience and depth through offices and teams across the Asia-Pacific region.

“The transaction establishes Fiera Capital’s Asia-Pacific footprint and provides a rare opportunity to gain entry to the Asian private credit market,” said **Vincent Duhamel, Global President and Chief Operating Officer** of Fiera Capital. “Combining Clearwater’s deep investment experience in Asia with Fiera Capital’s global distribution capabilities enhances our ability to meet the growing demand from clients for a full spectrum of investments in credit and special situations.”

John Valentini, Executive Vice President, Global Chief Financial Officer and President, Private Alternative Investments division of Fiera Capital, added, “As a leading firm in credit and special situations, Clearwater comes to Fiera Capital with a strong, culturally aligned senior leadership team that will add to the bench strength of our existing Private Alternative Investments division and provide an established platform to boost the growth and distribution of an enhanced suite of private markets strategies to clients. Joining Fiera Capital is the clear next step to grow our business and continue to provide profitable and innovative alternative investment solutions to even more clients around the world.”

The aggregate consideration paid at closing in connection with the transaction will be US\$21 million, subject to various adjustments. At closing, subject to such adjustments, Fiera Capital will pay US\$12 million in cash and will issue US\$9 million in Fiera Capital Class A subordinate voting shares. Additional contingent payment and earnout considerations of up to US\$44 million will be paid over five years based on the achievement of financial milestones. The Class A subordinate voting shares will be issued by Fiera Capital to the sellers at closing at a price per share equal to the thirty (30) day aggregate volume-weighted average per share price on the Toronto Stock Exchange for the period of the thirty (30) consecutive trading days ending on the second-to-last full trading day prior to the closing.
